1- Day Review Class

To become an AANAC member (\$110/year) and take advantage of the reduced rate, contact AANAC at: 800-768-1880.

Program Objectives for the MDS 2.0

The focus of this course is to provide members of the Administration, Directors of Nursing, Regional Directors and Managers with “hands-on” techniques for oversight and assurance that the MDS coding accurately reflects the condition of the resident. This in turn will assure complete and accurate assessment and care planning, accurate reimbursement and excellent resident outcomes.

C.A.R.E.S. suggests that you bring your RAI manual for reference during the workshop. Also, due to fluctuation in temperature, please dress appropriately.

Workshop handouts will be provided. The AANAC Training Manuals are not included in the workshop pricing and are not required for these courses. AANAC Manuals are available for separate purchase for \$50.00/manual for members, \$100.00/manual for non-members through AANAC

We would like to thank Arizona Grand Senior Living Center for hosting and sponsoring this workshop and their dedication to ongoing training for healthcare professionals

Tuesday, March 25, 2008

- History of the MDS and its relevance in a facility today
- Background, development, and use of the Quality Indicators (QIs) and Quality Measures (QMs)
- Role of the administrator and nurse executive in the MDS process
- Key terms needed to understand facility and resident QI and QM reports
- MDS validity and its relationship to Medicare PPS reimbursement
