

MANAGED CARE/MEDICARE ADVANTAGE/HEALTHCARE ORGANIZATIONS

C.A.R.E.S. is committed to delivering Professional Education, Training, Resources, and Consulting services to our clients. **Professional development is what we are all about!**

The **C.A.R.E.S.** faculty is an interdisciplinary team of professionals with extensive clinical experience and healthcare expertise. **C.A.R.E.S.** offers the following:

- Client-focused, results oriented
- Short and long term projects: local, regional or national
- Membership enhancement and market growth
- Health plan provider relationship building
- Mutually-defined customer focused training and education
- Quality Improvement Programs
- Therapy Utilization Management

In the ever-changing field of healthcare, targeted education and training is imperative to stay current and competitive. Regulations, programs and services are changing daily. It is within this environment that **C.A.R.E.S.** was formed, and will meet the needs of the healthcare provider. Staff members that are trained and coached, have more knowledge and satisfaction with their position, creating more continuity of care and success. Training employees is one of the most important things that a company can do for the *success of the business and to promote positive outcomes.*
