

Clinical Advisors for Research and Educational Services (C.A.R.E.S.) partners with JacksonWhite to create unique social services toolkit

This comprehensive resource book provides copies of every form and assessment tool necessary to help health care personnel better serve their residents and clients. The Toolkit contains everything from power of attorney forms to cognitive assessment tools and long-term care financial documents in one easy to use binder.

The cost of the Toolkit is \$50 which includes shipping and handling.
